ACTING PRINCIPAL

Dear Parents and Carers,

I am writing to provide you with an update on the temporary arrangements in place during the redevelopment of Arthur Phillip High School and Parramatta Public School.

As you know, both of these campuses are being transformed into state-of-the-art future focused learning facilities, which requires the relocation of students during construction.

The Arthur Phillip High School Eastern Campus has been operating successfully since the start of this year and will continue to provide a future focused learning environment for students until the new, redeveloped Arthur Phillip High School opens in 2019.

Since the last update, there have been some changes to the original relocation arrangements.

Arthur Phillip High School Eastern Campus currently shares the grounds of Roland Hassall School, located on the corner of Macquarie Street and Harris Street, Parramatta. Roland Hassall School students have occupied the neighbouring school facility and will move to their new school in term 3, 2017. The move of Roland Hassall School to its new site provides an opportunity to alleviate the pressure on facilities and student amenities at Parramatta Public School.

A senior campus for Parramatta Public School will be established for students in years 5 and 6. These students will share the site with the Arthur Phillip High School Eastern Campus from Day 1, Term 3 2017. All facilities and arrangements which have supported the effective sharing of the site will remain in place.

Additional planning and suitable arrangements will be made to accommodate year 12 students during the up-coming HSC trial and exams. Senior students also have access to supervised study spaces for use during allocated study periods.

Arthur Phillip High School and Parramatta Public School will work closely together to facilitate a smooth transition to this arrangement. It is our priority to ensure excellence in teaching and learning is maintained.

Any enquiries regarding the temporary relocation arrangements should be directed to Ms Erla McMaster, Acting Principal Arthur Phillip High School on 9635 8638.

Yours sincerely,

Ms Erla McMaster,
Acting Principal, Arthur Phillip High School
